## Additional account fees

### Port Out Fees

A port out fee of \$50 applies to Billing Date. Billing is done monthly and will be set to the day of the month the original contract was signed or processed successfully via our online portal.

Direct Debit must be enabled on your **Jet** account for payment with a valid credit card. Payment will be taken out once a month on the stated due date.

If your drawing is returned or dishonoured by your financial institution a once off \$60 dishonour fee will be applied to your account. If your financial institution no longer accepts direct debits, then it is your responsibility to pay each invoice on the due date by EFT or BPay (and we will apply a \$10 processing fee for each EFT transaction).
